

**SPIRITUAL DEVELOPMENT PLAN**  
**St. Patrick School**  
**Washington, Illinois**  
**2018-2019**

Definition

A plan created by the administration and faculty that involves practical actions which are integral to the life of the school and to the faith development of students, faculty and staff.

Rationale for Plan

- It's not as much about conveying information as it is about walking with those in formation (p. 1, Hurley)
- We teach children, not because they are Catholic, but because we are...It's an opportunity for us to teach about Jesus. It's an opportunity to teach about our faith... (p. 3, Hurley).
- Our Catholic schools...are some of the most effective ways to re-energize the Church today...(p. 3, Hurley).
- ...to reflect...on the nature and mission of the Church and how it informs what we do in a Catholic school (p. 5, Bennett).
- When one attends a Catholic school, one should come out with a concern for saving one's soul. A graduate of a Catholic school should not be content with knowing only that they are composed of mind and body, but that they have a heart and a soul as well (p. 8, Bennett).
- The Catholic school is where we learn to put the flesh on the bones of the Great Commandment: to love God above all things and our neighbor as ourselves (p. 8, Bennett).
- The Catholic school can make concrete the Jesus it attempts to embody both with its love and its service (p. 17, Bennett).
- Who do you say that I am? As teachers in a Catholic school, it is important that we create a climate that gives witness to the Christian faith (p. vi, Quinn).
- The Catholic school forms part of the saving mission of the Church, especially for education in the faith. It is 'not simply an institution which offers academic instruction of high quality, even more important, is an effective vehicle of total Christian formation' (p. 230, USCCB).
- The Catholic school affords a particularly favorable setting for catechesis with its daily opportunity for proclaiming and living the Gospel message; for learning and appreciating the teachings of our Church; for acquiring a deep understanding, reverence, and love of the Liturgy; for building community; for prayer; for proper formation of conscience; for the development of virtue; and for participating in Christian service (p. 233, USCCB).
