Illinois Tax Credit Scholarship Program

Please see the attached file relating to the Illinois Tax Credit Scholarship Program. Please take a few minutes to write to our legislators thanking them for making this program possible and the need to support its continuance in the future in helping make it possible for students to attend St. Patrick School. A sample pre-set letter you may use is below. You can also add your own words if you wish. Addresses are provided below and in the attached document for your convenience. Thank you.

(Sample Pre-Set Message):

Thank you for supporting the Tax Credit Scholarship Program

As my elected official, it's important for you to know how much the Illinois Tax Credit Scholarship program has meant for so many children across the state, as well as to our school community, especially in a year which has brought great hardship to many families.

While the program is still a pilot, we ask for your support to ensure that this scholarship program is protected and expanded for more kids to benefit. Without this scholarship program, many families in our community would not be able to send their kids to such great schools in our community.

During this holiday season, my family and I thank you for your continued support.

Sincerely,

(Your name and address)
