**VIRTUE OF WEEK**

Our virtue theme this week is that of **PERSPECTIVE**—The strength to have a true understanding of the relative importance of things. In sports, many people forget the importance of the process, the journey, the time together. The bond of a true team where each member truly loves one another and is willing to sacrifice, sweat and work tirelessly for one another— that is a true championship. That experience brings the **PERSPECTIVE** that sports can bring.

**PRAYER**

Lord, thank You for giving us the opportunity to gather and play this game that we love. Help us to do it for Your glory and honor. May we gain more **PER-SPECTIVE** today and develop the habit of looking for ways to do good for others during sports and in all of life.

**REFLECTIONS**

“OPEN YOUR HEART, OPEN YOUR MIND, AND OPEN YOUR SOUL TO THE MIRACLES GOD WANTS TO WORK IN AND THROUGH YOU.”

“WE PREPARE FOR EVERYTHING WE CONSIDER IMPORTANT IN LIFE. PREPARATION MAKES A WONDERFUL EXPERIENCE POSSIBLE. WHEN WAS THE LAST TIME YOU PREPARED FOR MASS?”

“EVERY SINGLE PERSON IN THE BIBLE IS PUT THERE TO SERVE YOU. HIDDEN BETWEEN THE LINES OF THESE ANCIENT TEXTS, THEY WAIT, WANTING TO TEACH YOU THE GREAT TRUTHS OF THE JOURNEY.”

“WHO HAD GOD USED THROUGHOUT HISTORY TO DO HIS WORK IN THE WORLD? THE PEOPLE WHO MAKE THEMSELVES AVAILABLE TO HIM.”

MATTHEW KELLY, *REDISCOVER LENT*

**Reverence, Respect, Responsibility.....Excellence in Academics and Faith Formation”**

**Congratulations to our 8th Grade who were confirmed on Sunday!**

## Thoughtful Moments

### St. Matilda

St. Matilda was known for her beauty, holiness and intelligence. She was happily married to Henry the Fowler and had five children. Beloved by her subjects, she was known for donating generously to the poor. When Henry died, his two oldest sons fought over the crown. They persecuted Matilda for her generosity and took control of her money. Later, they apologized, but she chose to spend the rest of her life in simplicity and prayer in the convent.

### Modeling

If we keep our cool when everything else around us is out of control, we model self-control and patience for our children. These valuable skills will help them to avoid temptation and sinful impulses long after they are no longer under our watchful protection.

*"Remember your father and mother when you sit among great men; lest you be forgetful in their presence, and be deemed a fool on account of your habits"* (Sirach 23:14).

## Become someone new this Lent

March 6th begins Lent - the chance to become the person God intends us to be. The desert of Lent allows us time and space to take back control of our environment, become more present to our families, and revise the messages we send to others.

**Take control.** What can be shed? Sort through and declutter drawers, toy closets or living spaces with the goal of dumping unwanted and unneeded possessions. Choose one area a week during Lent. The end result can be clear space to store newer, more useful goods or the perspective to appreciate what is left.

**Become intentional.** Family life can

become a treadmill of work, school, sports, clubs, and activities. Yet, the ability to say "no" allows us to be intentional about how we choose to spend our time. Our primary need is for our family to connect with God and each other. These connections are from where our strength flows. A "no" to others may be a "yes" to God and family.

### Reform speech.

How we speak is the primary way we build connection - with coworkers, neighbors, friends, family. This Lent, resolve to use speech only to build up others with positive words and phrases. Promise to reject swears or curses, and use God's name only reverently and prayerfully. The benefits will be immediate and eternal.

## Why Do Catholics Do That ?

## Why do Catholics give up meat during Lent?

Beginning in the second century, Christians have traditionally given up eating meat as a sacrifice. Meat was considered a luxury the Church asked the faithful to do without during certain days and seasons. The Church isn't

promoting vegetarianism but is encouraging mindful sacrifice.

Today, we are still asked to make the small sacrifice on Fridays by giving up meat - especially during Lent - to recall the incredible sacrifice of Christ giving his life on the Cross for our salvation.

## Raise a player for God's team

Playing on a baseball or soccer team, for example, may teach children how to be good soccer or baseball team players, but few adults still play baseball or soccer. Children need life-team skills that are best taught in the family.

**Team players work for a common goal.** One way to teach this is to give children chores and let them know that their contribution is important and necessary to the wellbeing of the family.

**Team players obey the rules.** Build these skills by setting family rules for behavior and performance, and enforcing them.

**Team players follow instructions.** Give children age-appropriate instructions for doing homework, helping around the house, or working on extra projects to help.

**Team players share resources.** Cheerfully sharing common resources like those in the kitchen or bathroom, for example, helps youngsters learn planning and cooperation.

**Team players do their part.** Skilled team players know that teams work best when everyone plays their part. After all, the most

important team is God's team where everyone works together to win.

## Scripture LESSON

**Luke 15:1-3, 11-32. We can always go home again.**

The scribes and the Pharisees were furious when Jesus welcomed tax collectors and sinners into his company. They didn't approve of Jesus befriending such people, especially when he was harsh with the scribes and Pharisees. In response, Jesus told the story of the Prodigal Son.

The younger son asked his father for his share in the family estate and squandered it in a country far from home. With his money gone and his situation desperate, he returned to his father, humbled, and asked for mercy. Overjoyed by his son's return, the father

gave him a princely reception. This is the spirit in which God receives us when we come home to him.

Convinced he was the "good" son, however, the older brother resented the warm welcome his younger brother got. Like the Pharisees and scribes, he was miffed at the prospect of sinners becoming acceptable to God.

**What can a parent do?** Help your child to understand that no matter what we have done, we can always come home to God. He is always waiting to joyfully welcome us back.

## Parent TALK

Tessa had a best friend in middle school named, Vicky. One day, Vicky stopped talking to her, and Tessa had no idea why. When she asked, Vicky wouldn't answer. Tessa was very upset and asked my advice.

Together, we read from St. Matthew's gospel, chapter 18. In it, Jesus suggests always talking directly to one another when difficult situations arise. If that doesn't work, bring along a friend or two to see if they can mediate. If that doesn't work, go to an authority. Tessa thought that was a great idea, and asked her friend Sarah to help.

As it turns out, Vicky was having a rough time at home. A relative living with the family was unkind to her and Vicky felt alone. The girls went together to a teacher to get help.

Through this situation, Tessa learned that that Bible has all kinds of practical and useful advice.

## Feasts & Celebrations

**March 12 – St. Seraphina (1253):** Born to a poor family in San Gimignano, Italy, she suffered from a mysterious paralyzing illness. Once beautiful, she was disfigured and in constant pain. Abandoned, she found comfort in the sufferings of Jesus crucified and in the prayers of St. Gregory the Great. She bore her sufferings with extraordinary patience until her death.

**March 17 – St. Patrick of Ireland (c.461).** Born in Scotland, St. Patrick was kidnapped by pirates and brought

to Ireland as a slave. He escaped but later returned to become the bishop of Ireland. He is credited for having established the Church there.

**March 19 – St. Joseph (1st century).** Jesus' earthly father and husband to the Blessed Mother, St. Joseph is a model of fatherhood and a protector of families. We know little about him, but the Bible tells us he was a "righteous man" (Matthew 1:19). He is the patron saint of a happy death, because he died in the arms of Jesus and Mary.

**Greeters** will be opening doors, greeting parishioners, and/or handing out bulletins as they enter church.

If enough greeters have signed up, some will go to the side entrances while others remain at the main entrance. At least two people should open doors and greet parishioners while another two can ask to hand out bulletins at the main entrance. (If it is cold, please open the doors ONLY as needed!) At least one person is needed for each role at the side entrances. You may take your seat in the church when the cantor welcomes the congregation.

**Gift Bearers** have the honor of representing the entire parish as we return to God a small part of the many blessings that He has given to us. The unleavened Bread and Wine that you carry will be consecrated to become the Body and Blood of our Lord Jesus Christ.

Please check in with the ushers at least 10 minutes before Mass starts. After the Prayers of the Faithful (petitions), head to the back of the church by the gift table. An usher will help you with the gifts. You will proceed down the main aisle with the gifts after the collection (when the priest/deacon and altar servers are in place at the front of the altar).

When you arrive at the altar, present the gifts one at a time to the Priest/Deacon. **Stay with the group until everyone has given their gift. Then, as a group, bow reverently when the priest or deacon bows, and return to your seats.**
