

Virtue of the Week

This week our virtue theme is TEMPERANCE—The strength to control the desire for pleasure. TEMPERANCE is so necessary for much of life. We need TEMPERANCE on this team, in school, in our relationships if we really want to succeed in doing the difficult things necessary to win.

Prayer

Lord Jesus, when You were tempted in the desert by the devil You gave us a great example of TEMPERANCE. You had the strength to control the desire for pleasure. We need Your help to do the same. Grant us the desire to embrace the virtue of TEMPERANCE and when we experience temptation or weakness may we always reach out to you for help.

Did You Know....

We got new LED lights and new fixtures in the gym, classrooms, and hallways over this past summer. Thanks to an energy grant through Ameren Illinois and the generosity of the Athletic Committee we were able to afford this. Volunteers helped make this possible by volunteering at many athletic events and especially the State Track Meet.

Thanks for volunteering!
