

Virtue of the Week

This week our virtue theme is **RESOURCEFUL**– The strength to act effectively and imaginatively, especially in difficult situations. Being **RESOURCEFUL** is necessary for everything in life. We need to be **RESOURCEFUL** if we expect to succeed this year, taking advantage of every talent we have as a team, class, and in every part of our lives.

Prayer

Thank You, Lord, for all of the many blessings You have given us. Our health, our ability to play this great game, our family, our talents, our freedom. May we never forget that all of these gifts are from You. Fill our hearts, minds and souls with a proper gratitude and help us to be **RESOURCEFUL** se we always offer solutions instead of complaints.

Excellence in Academics and Faith Formation”

Hey KIDS and families!

Hi, I'm NED!

NED's Mindset Mission Assembly is visiting our school! NED and our students take a journey to find their positive mindset. The show is filled with storytelling, humor, illusions and amazing yo-yo tricks where our kids learn the hidden message in NED's name:

- N**ever give up — understand The Power of YET
- E**ncourage others — spark courage in other people
- D**o your best® — always be learning and growing

Do you want to learn to yo? A yo-yo is both a mindset tool and a tangible reminder of NED's message. While learning to yo, children will make mistakes, try again and improve.

Our school yo-yo sale

Our school received this assembly at no-cost because another school paid-it-forward to us. We want to help pay-it-forward too, and you can help by purchasing a NED-messaged yo-yo.

The Sacred Heart: Open, Broken, and Overflowing

Saturday, September 14, 2019

9:00 am – 3:30 pm

Lunch provided; Goodwill offering
accepted

Sr. Virginia, sister to choir director Clare Tschirn, is the Director of Spiritual Formation for the faculty and staff of St. Louis University, a published author, blogger, spiritual director, speaker and teacher.

This day of prayer and reflection will focus on Sacred Heart spirituality—what it is, what it isn't, and how it can help us in our everyday life of family, work, and prayer. The Heart of Jesus is a heart open to receive us in every experience of our lives, it is broken by the suffering and sinfulness of our world, and it is overflowing with love, mercy, and hope for each and every one of us. Come to spend a day reflecting on the ways that Heart can reach out to us, reach through us to those who are hurting, and reach beyond our pain to help us believe in the power of transformative, reparative love.
