Mission

The mission of St. Patrick School is to foster the spiritual growth, and academic life of its students, faculty, and staff, and to teach children, with the cooperation of parents, a Catholic way of life.

Vision

It is our vision that St. Patrick Catholic School will offer a uniquely superior academic curriculum and a faith focused social and moral teaching that will be recognized, prioritized, and ultimately desired by area families as their preferred choice in education for their children.

We will strive to answer the Bishop's call by being identifiably Catholic in spirit and culture, academically excellent, and soundly administered by offering a balance of love, faith, academics, service, fine arts, and athletics.

We will seek to develop the whole child in the likeness of Christ by presenting each child with the opportunity to discover and live their life to their fullest potential spiritually, academically, physically, sacrificially, and prayerfully in service of others.

We will establish a reputation for forming dynamic Catholic leaders that take their faith into the world with them by showing that we must live what we believe.

Diocesan Mandates

All volunteers at St. Patrick School must comply with mandates as set forth by the Diocese of Peoria, including safe environment training, background checks, and safe driver training. These trainings and programs can be accessed at: <https://cmgconnect.org>. These mandates are important to protect our students, volunteers, and school.

Anyone interested in volunteering who has not yet met these mandates should contact the school office for further information.

Volunteer Activities

Volunteer activities are listed in the "Appendix" under "St. Patrick School Volunteer Opportunities." Volunteer service is highly encouraged at St. Patrick School to help support all of the activities and extracurricular programs that are important for the success of our school.

Discipline Code

Volunteers shall adhere to the code of discipline as presented in the St. Patrick School Parent-Student Handbook.

Field Trips

Volunteers who serve as chaperones on field trips should note the following:

1. All school rules are in force unless the Administration has explicitly stated otherwise.
2. Chaperones are to stay with their assigned groups.
3. Supervision is both mental and physical. Be sure that your attention is always on the young people you have been assigned to supervise.
4. If your own school-aged child is on the trip, he or she must not be treated any differently than any other child.
5. Children of volunteers who are not currently enrolled in St. Patrick School are not allowed to accompany volunteers on field trips.
6. Volunteers' first responsibility is the safety of the students.

Health and Safety

Any student reporting illness or injury should be referred to the supervising faculty or staff member immediately. If there is no other adult in proximity, use the closest intercom phone to contact the school office (list of intercom phone numbers is posted next to phone). In an emergency, bring the student to the office immediately.

Although St. Patrick School does not have a nurse on staff, office personnel will assess the student and contact parents/guardians per procedures stated in the St. Patrick School Parent-Student Handbook.

Any volunteer on the playground or in the play yard area should have a two-way radio. The radios are located in the school office and should be returned to the office when finished.

Emergency Procedures

Fire:

1. Close classroom doors, outside doors, and any fire doors that may be open.
2. Do not close any windows that may be open.
3. Students walk silently in an orderly single line.
4. Exit following directions posted in the classroom.
5. Once outside, students join their homeroom teacher who checks attendance.
6. Stay in a designated spot in silence until signaled to return to the building.

1. Students walk silently in an orderly single line.
2. Exit, following directions posted in the classroom for Tornado/Disaster drills.
3. Students join their homeroom teacher who checks attendance.

5. Return to the classroom quietly.

Earthquake:

1. Drop, cover head immediately.
2. Crawl under the desk or nearest table.
3. Listen for further instructions.

1. A coded announcement will be given when possible.
2. Close all classroom doors which should already be in a locked position.
3. Remain in the classroom until otherwise notified.
4. Do not let any student leave the room.

Child Abuse Laws and Reporting

School personnel are mandatory reporters in the State of Illinois and therefore, if abuse is suspected, it is the volunteer's responsibility to report the abuse. It should be noted that volunteers are the reporting agents, not the screening agents; thus, it is not appropriate for volunteers to conduct investigations to determine the truth or falsity of the suspicion. Volunteers who make child abuse reports must notify the Administration immediately and make the report in the presence of the Principal and/or Assistant Principal.

Loyalty to the Church and School

When you are a volunteer, you are a representative of the Church and the School. You are expected to support the directions given by the Staff and the Administration. If you disagree with policy, the Administration will be happy to hear your concerns and discuss them with you. Since you are serving in a Catholic School, you are expected to support the Administration and the teachings of the Catholic Church and to live in a manner consistent with that support.

Diocesan Policies, C-401, C-402, D-147

Volunteers should be familiar with these diocesan policies regarding bullying and harassment. They may be accessed at the diocesan website, <https://cdop.org/> under the "Office of Catholic Schools" link or in the St. Patrick School Parent-Student Handbook.

Confidentiality

In the course of your volunteer work, you may learn confidential information about young people and faculty/staff. You are expected to keep this information confidential in any setting inside or outside the school just as you would want your own privacy rights respected.

However, information about a student who intends to harm self/others or is reporting physical/sexual abuse must be reported to the Principal immediately. This information must be shared with the Administration and not kept confidential.

Supervision of Volunteers

The administration is responsible for the total school operation; thus, they supervise or may delegate supervision of all who serve in any capacity in this volunteer ministry.
