

St Patrick’s combined with Holy Family band for a concert Wednesday evening. The St. Patrick students played for the school during an assembly during the day.

Mr. Booher awarded all 4 of our 8th graders with the Best Student Award, for persevering through the program during the crazy COVID Zoom years!

THE MISSION OF ST. PATRICK SCHOOL is to foster the spiritual growth and academic life of its students, faculty, and staff, and to teach children, with the cooperation of parents, a Catholic way of life.

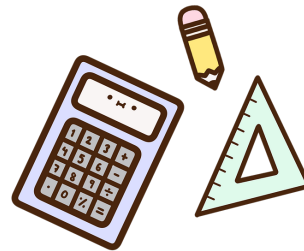

Congratulations Sr. Magdalena on celebrating 50 years of religious life. We are praying for you!

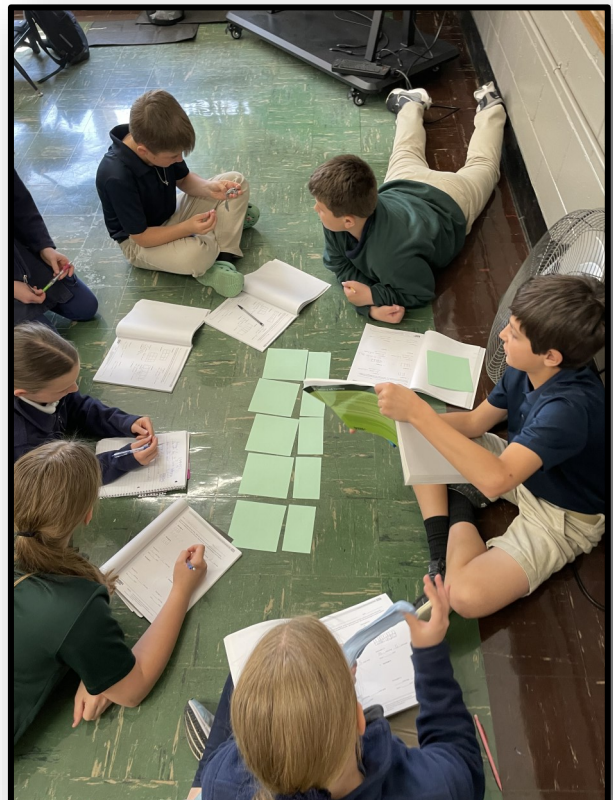

Max and Dr. T at the City Math Contest

Max Armstrong got 1st in St. Patrick's and 3rd overall in the city - 8th grade.

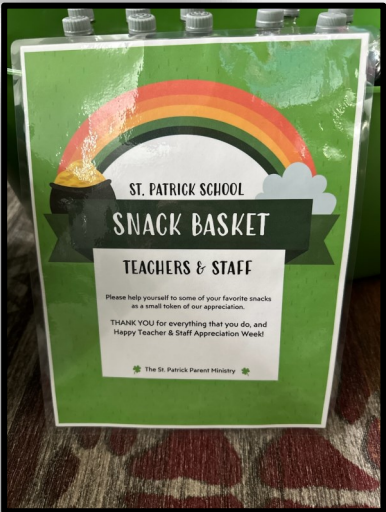

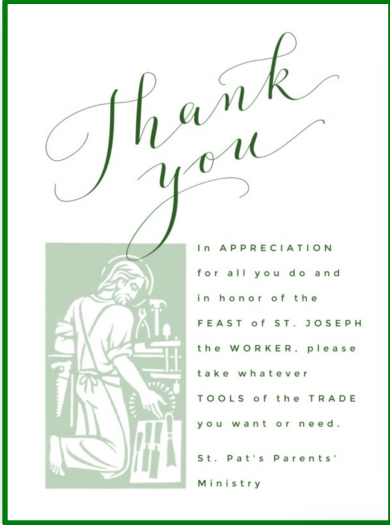

Fifth Grade Math

The fifth grade has been working on area and volume. They worked on modeling and tiling different shapes.

Thank you St. Pat's Parents Ministry, Students, and Family for all the expressions of gratitude and celebration this week!

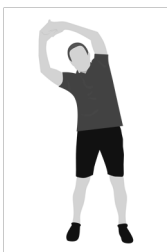

The 5th Grade attended the National Day of Prayer that was held on the Washington Square. Students gathered with others from our community to intercede for our Nation.

Last week, the 8th grade attended the Fitness Fair at Washington High School.

This week, the eighth grade relived some of their favorite PE games from the past. Scooters, scooter soccer, and the parachute were big hits.

Thank you to all those who supported the 8th Grade Fundraiser!

Students were given a card to sign up for Kids Bowl Free this week if they are interested.

Bus Driver Position

St. Patrick School has an opening for a bus driver for the 2023-2024 school year. The position involves driving the morning and afternoon routes. Applicants must be at least 21 years of age, have a bus permit, and meet the requirements outlined by the State of Illinois for bus drivers. Please contact St. Patrick School at 309-444-4345 if interested and for more information.

Volunteers Needed

Thank you to all who have signed up to volunteer for state track. We are appealing again to help fill out the spots we have left unfilled.

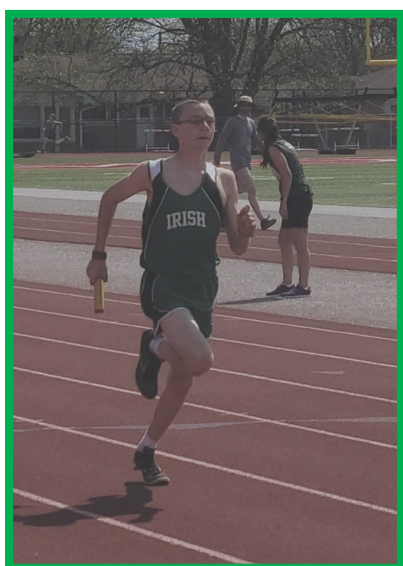

We are encouraging all of our families, both in the junior high and in our primary grades to consider working a shift. Even if you have no children in athletics, this money goes a long way to maintaining the viability of our athletic programs for years to come.

This two-day event covers around 30-40% of our yearly athletic budget. We were not able to hold our annual Cash Bash fundraiser this year, so this year's meet is even more important.

Please click the link below and volunteer to help.

Next Week's Virtue

VIRTUE=STRENGTH. VS.

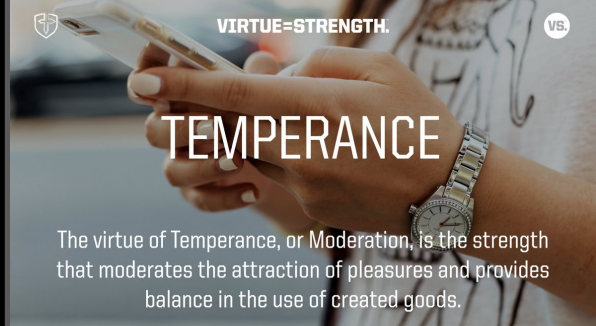

MODESTY

The strength to be moderate and in control of ourselves with regard to speech, dress and food.

"A pure soul is like a fine pearl. As long as it is hidden in the shell, at the bottom of the sea, no one thinks of admiring it. But if you bring it into the sunshine, this pearl will shine and attract all eyes. Thus the pure soul, which is hidden from the eyes of the world, will one day shine before the Angels in the sunshine of eternity." - St. John Marie Vianney

Last Week's Virtue

VIRTUE=STRENGTH. VS.

TEMPERANCE

The virtue of Temperance, or Moderation, is the strength that moderates the attraction of pleasures and provides balance in the use of created goods.

"Temperance ... ensures the will's mastery over instincts and keeps desires within the limits of what is honorable." CCC1809

The Junior Football League of Central Illinois (JFLOCI) is the Midwest's preeminent youth sports league, offering Flag Football, Tackle Football, and Cheerleading. The JFLOCI is committed to ensuring a positive youth sports experience and advancing player safety by providing league-wide coaching education and teaching resources that benefit players, parents, and coaches. To enhance this commitment, the JFLOCI partners with local high schools to host yearly training clinics for first year coaches and an online clinic for all coaches.

JFLOCI Executive Director, Zo Evans, said, "The JFLOCI is about more than just a game; it's about teaching lifelong lessons such as teamwork, humility, honesty, integrity, hard work, structure, and determination. Each one of our Areas has developed a family atmosphere that fosters growth in our young athletes. This growth is something that will forever enhance their lives and we are proud to carry out that responsibility. A championship trophy is won based on the outcome of a game, but we are far more concerned with equipping our young athletes with life skills and a 'championship character' than anything else."
