

As Thanksgiving approaches, we are reminded of the many blessings we enjoy as a school community. This season of gratitude gives us an opportunity to reflect on all the good in our lives and thank God for His continued guidance and grace.

We are deeply grateful for our incredible students, whose curiosity and enthusiasm inspire us daily. We are also thankful for our dedicated teachers and staff, who pour their hearts into nurturing and guiding our children. And, of course, we are blessed by the unwavering support of our families, whose partnership makes our mission possible.

May this Thanksgiving bring joy, peace, and the comfort of family and friends to each of you. As we celebrate, let us keep in our hearts the spirit of gratitude and faith, remembering to thank God for the blessings we share.

Wishing you a Thanksgiving filled with love, faith, and cherished moments.

Good Disciples

At a recent home basketball Emma D. and Maeve G. overheard a visiting fan saying she could not navigate the stairs to the concession stand due to her bad knees. These ladies jumped into action and offered to get concessions for her!

On Tuesday during dismissal, a kindergartener had spilled his backpack and coat on the steps. Beatrix S. stopped and helped him pick his things up and get his coat back on. She showed a great act of kindness!

**By this everyone will know
that you are my disciples, if
you love one another.**

Parents, let us know if you catch someone being a Good Disciple. We would love to share it in a future issue!

FOR ICE CREAM!

Fundraising Success

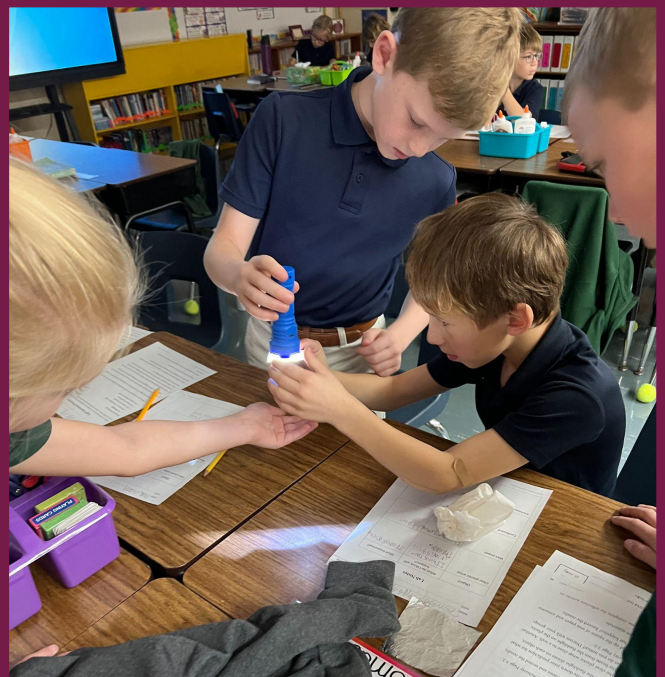

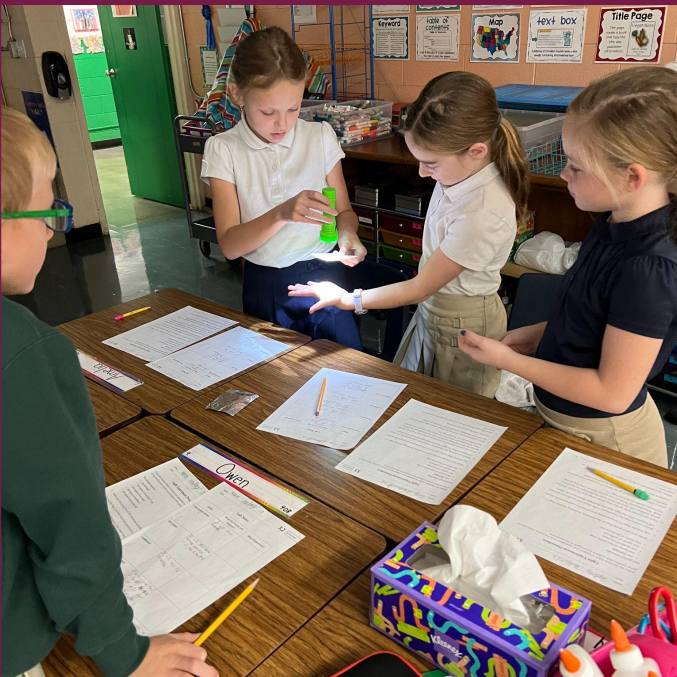

After gathering as a school to celebrate our fall fundraising success with an ice cream party, our final prizes were drawn. Gavin M. in 3rd grade won the \$100 gift card! And 3 lucky students were chosen to Pie the Principal: Grace R. 8th, Hunter K. 4th, and Evelyn K. 5th! Thank you to all of our friends and family who helped make this possible!

Testing Transparency

Third grade tested objects for transparency, translucency, or opaqueness! Our findings will help us learn about light in our new reading unit!

Our 7th and 8th graders shopped for and packed Operation Christmas Child boxes. Father John blessed the boxes before sending them off.

New this year, **5th-8th grade students** please consider signing up to clean up the gym after home basketball and volleyball games, and you will be allowed in that night's game for **free**! 7th & 8th grade students are allowed to use one of these as a confirmation project. We are looking for 3 students for each home game.

“Loyalty is the backbone of any lasting friendship.”

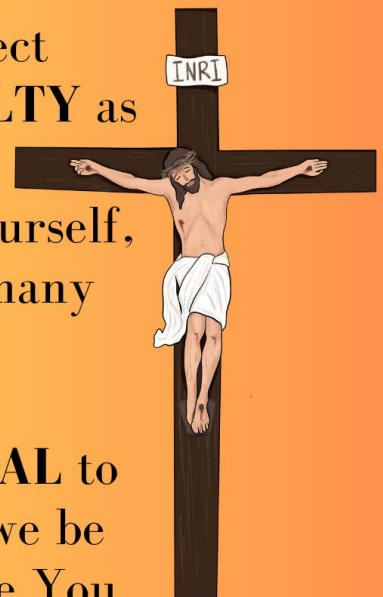

St. Francis de Sales

Lord,

You were the perfect example of **LOYALTY** as You made us more important than Yourself, and You made so many sacrifices for us.

Help us to be **LOYAL** to one another. May we be more and more like You each day.

Amen

HUMILITY
IS NOT THINKING
LESS OF YOURSELF,
IT IS THINKING
OF YOURSELF LESS.
-C.S. Lewis

HOW TO BE HUMBLE

Instead of saying...

*I can make
myself important.*

Practice humility by...

*Believing your worth
comes from the Lord
(James 4:10).*

*I can do it
on my own.*

*Recognizing when to
accept help (1 Peter 5:5).*

*I know
everything.*

*Humbling yourself with
childlike faith
(Matthew 18:4)*

*I deserve
it.*

*Considering others'
interests as more
significant than yours
(Philippians 2:3).*

*I have a right to
do as I please.*

*Obedying God's word
with sacrificial
service (Philippians 2:8).*
