EARTH HOUR

The Office of Catholic Schools, together with the Peoria Diocesan Council of Catholic Women Care for Creation Committee, invites you to participate in Earth Hour from **8:30-9:30 p.m. on Saturday, March 23, 2024**. This global event helps save energy and lowers our carbon footprint in caring for creation. Earth Hour is one hour, one day per year, for households to focus on activities with or without minimum light. If you and your family participate please send pictures to your school to share with us.

Here are some activities to try during Earth Hour:

Build a bonfire outside with family, friends, and neighbors; toast marshmallows by candlelight; enjoy a candlelit meal; discuss a good book; call a friend or relative; go star gazing; tell scary stories; take a power nap; use a flashlight to read a favorite story; plan for the next holiday; sing or play an instrument; visit a friend or neighbor; unplug an appliance not being used; exercise; play a board game like Scrabble; enjoy a card game such as UNO; play charades; make up questions and play trivia; share interests or favorite memories; pray for others.

Earth Hour Prayer (before lights dimmed or out)

Christ, Light of the World, during this darkened hour help us to be thankful for the natural light you provide from the sun, the stars and the moon. May we appreciate the part the energy of the sun plays in the health of all creation, the beauty and path finding use of the stars, and the tide effects of the moon. May this Earth Hour be a blessing and awaken in us the gift of Jesus, the Light of the World. Amen.

Earth Hour Prayer (after lights turned on again)

We give you thanks, Almighty God, for the Light of the World and for all creation that we enjoy. May this Earth Hour remind us of the blessings of Light we use for study, play, and work. Jesus, Light of the World, we rejoice in your example and the gift of light. Help us to use it wisely in the service and enjoyment of God's gift of creation. Amen.

PERSEVERANCE

"DON'T QUIT, KEEP GOING."

DON'T
QUIT

**ACCEPT THE
CHALLENGE:**

When you are tempted to quit on something or someone this week, keep going a little further.

CHALLENGE
over Easter Break

VIRTUE=STRENGTH.™

RESOLUTION

Strive to live the whole week without complaining.

So no ...

It's too hot
It's too cold
I'm too tired
I'm bored
This is lame
Not this again

Rolling our eyes
Sighing

What are some other ways we complain?

Time Trials Highlights

Returning Boys: **15 personal best performances**

Returning Girls: 10 personal best performances

New Athletes: **AMAZING** first time performances

Three athletes bettered the state qualifying standard, and many more were already close to the standard, and we haven't even had our first meet!

REMINDER

ALL 5th–8th grade students
that have participated in
extracurricular activities
at St Pat's in the 2023–2024
school year

DO NOT SCHEDULE ANYTHING

that would prevent PARENT
or ATHLETE from signing up
for a shift at the

IESA State Track Meet

May 10th–11th

*Thank
you!*

***By participating in extracurricular activities this
year, you have already agreed that both parent and
child will work a shift at this meet.***

When the sign-up is sent out in April, if you don't sign up
for one child and one adult shift, you will be assigned
shifts, and you will be required to fill those spots.

By working only a few hours, you get to help raise \$15,000 for St Pat's!

The entire school will participate in watching the **eclipse** scheduled to happen on **Monday, April 8th**. We will be using all the blacktop space on our campus that day to allow for multiple classes to participate in the event. This includes the small playground, large playground, and the parking lot in the back of the church. We kindly ask that no one parks in any of these lots until **after 2:45 PM** that day.
